IED NETWORK**

## ACCADEMIA DI BELLE ARTI ALDO GALLI

The Aldo Galli Academy of Fine Arts in Como represents a reality of excellence in the field of Higher Artistic Education at national and international level.

The Academy is recognized **MUR** (*Ministry of Education and Research*) and included in the **AFAM** (Higher artistic education) system; for more than 40 years it has been promoting important restoration works in the sectors of canvases and tables, stone, wall paintings. In parallel with the restoration, it offers academic training courses in Visual Arts, Fashion and Textile Design and product Design

## II NETWORK IED

In 2010, the Galli Academy became part of the IED group among the other network locations: **MILAN, ROME, TURIN, VENICE, FLORENCE, CAGLIARI, BARCELONA, MADRID and SAN PAOLO.**

**IED** was born in 1966 thanks to the happy intuition of Francesco Morelli, and is today an international excellence of a completely Italian matrix, which operates in the field of training and research, in the disciplines of Design, Fashion, Visual Arts and Communication.

## LOCATION

Headquarter– Via Francesco Petrarca 9

Factory – Via Scalabrini 29

ADI Design museum- Milano

## HEADQUARTER

In a historic building a few steps from the Como Borghi station in the headquarters of the galli academy there are the restoration departments with its laboratory classrooms, the fashion lab with sewing machines, printers for fabric and knitwear, the painting atelier and computer rooms with all the latest generation software.

On the first floor there are also all the offices of the academy

## FACTORY

It is an ideas factory dedicated to the Fashion Textile Design course, an open space a few meters from the Camerlata FNM station and the Academy.

In this particular location students can draw by hand, print with machineries, weave, paint, industrially colour, drawing on computer and transfer everything to industrial digital processing machines for product optimization.

## ADI MUSEUM

A laboratory dedicated to restoration where the students of the Academy develop conservation and study activities related to the works of the Compasso d'Oro collection and more.

Inside the Museum, the Academy organizes events and workshops dedicated to contemporary art restoration, methodology for works of art handling, restoration of artefacts in processed synthetic materials, communication and enhancement of artistic heritage assets.
