Do you have a creative mind? IED Italy and IED Spain invites you to participate in the Master's Program or Master of Arts scholarship competition and give shape to your ideas.

Based on your creativity and the artistic and cultural references you love most, you will have to develop a visual story about yourself, using the techniques and expressive tools you are most confident in, so as to express the value of your project: drawings, collages, photographs, images or videos.

Tell us about yourself:

- 1. How would you define yourself?**
- 2. What are you passionate about?**
- 3. Why would you like to study in Italy or Spain?**

Focus on something related to the Master's Program or Master of Arts you are interested in and write a short text, of about 2000 characters, to tell the reasons behind your proposal, your source of inspiration and the creative process that guided your work.
